"Last Thursday I visited Transformation in Birmingham for another changeaway. Once again I had a very pleasant stay, I was treated like a super-model!"

"I first heard of your shops about ten years ago and I went to the Birmingham branch as often as I could - I have also used other branches occasionally. Your service is superb, the ladies in the shops are most helpful and ensure an enjoyable and relaxing time. How you can manage such a wonderful welcome for such a small charge I cannot understand. I think that the value is superb. I have occasionally used other people's services but they are nowhere near as good."

"As promised last week, I have now been to Birmingham for a changeaway. It was such a wonderful experience that I feel I simply must write and tell you about it. Facing me in the mirror was someone I didn't recognise - a beautiful feminine face framed with exquisitely styled hair. I truly was amazed, and I found it difficult to tear myself away from the mirror."
