
June's Titbits

This weekend has again been a great success helped by the fact that we were blessed with glorious sunshine.

As each TV Weekend comes and goes the more I enjoy meeting both regular and new guests.

On arrival all guests soon settled in and became friends not only with me but with the other guests, and soon everyone was chatting and relaxing in the lounge with a drink.

Our regular guests Denise, Rikki, Lin and Elizabeth soon had new guests, Tomasina, Judith, Martine and Yvonne feeling at home and soon all were exchanging stories.

We all enjoyed the Bodidris dining experience in the baronial restaurant, good food and wine and excellent company.

Some of the girls were out and about having a little "retail therapy" and came back to the hotel laden with bags of shopping having probably spent a bit too much money but having thoroughly enjoyed their girly experience!!.

A trip out to The Chainbridge Hotel in Llangollen for lunch was a very relaxed affair, firstly travelling over the picturesque Horeseshoe Pass enjoying the spectacular view and sitting in the Chainbridge overlooking the river Dee in the warm sunshine.

The following day we went to the Castle Hotel in Ruthin for lunch. Again a thoroughly enjoyable experience enjoyed by all of us.

All too soon it was time for the "girls" to leave. I always feel sad at their departure but look forward to seeing them again very soon.
